# CR Series

Caravan Filter Systems

A portable water filter designed to connect quickly and easily to your caravan or motor home.

The Puretec caravan water filter kits are the ultimate solution to purified water, no matter how remote the location of your camping adventures, it's never been easier.

## CONNECTS TO STANDARD GARDEN HOSE FITTINGS

The Puretec CR Series are high capacity, efficient filter systems designed to connect easily to garden hose fittings which are readily available in most locations.

## SilverPlus™ ANTIBACTERIAL FILTRATION TECHNOLOGY

The Puretec Caravan filters incorporate carbon filtration with **SilverPlus™** Antibacterial Technology to remove taste, odour, chemicals and inhibit bacterial growth leaving healthy, great tasting water even while you are on the go.

## CR45 DUAL STAGE FILTRATION

The Puretec **CR45** filter system incorporates advanced Dual Action Filtration Technology, with 2 levels of filtration, the CR45 has massive contaminant removal capacity. It also incorporates a washable sediment removal cartridge.

Puretec water care products are designed, manufactured and supported by Puretec Pty Ltd the name you can trust for viable and proven water solutions. The complete range of Puretec products are developed, refined, made to meet and exceed stringent specifications for the worldwide market.

**Important Note:** Sales of products are subject to our Terms and Conditions which are available upon request. All specifications, information and photos are used as a guide only and are subject to change without notice. Please ring to confirm details. **Warning:** For correct operation it is essential to observe manufacturer's instructions.

**Caution:** Do not use with microbiologically unsafe water or water of unknown quality without adequate disinfection before or after the system. Under normal circumstances a pressure limiting valve is not required. Maximum flow depends on cartridges, vessel, pressure, impurities etc. \*Micron rating is nominal. Protect from freezing.
