GENERAL INFO

DESIGNED FOR MAINS / TOWN WATER

Quick Twist Undersink Water Filter System Kit (No tap included, refer to page 2)

This premium filter system easily fits under your existing kitchen bench. The Puretec Z1 filter utilises Ultra Z Filtration Technology to finely filter water down to 0.1 micron through an advanced three stage process. This all-in-one cartridge provides reduction of unwelcome elements in your water such as sediment, chlorine, bad tastes and odours and also protects against cysts and bacteria such E.coli.
